WE ARE COMMITTED TO REDUCING OUR WASTE, PRACTICING POLLUTION PREVENTION AND CONSERVING ENERGY AND NATURAL RESOURCES WHEREVER POSSIBLE.

While it may be hip or trendy to talk about how “green” our business is, we actually talk the talk and walk the walk when it comes to reducing our waste footprint and incorporating green business practices.

Since our inception, The Catering Company has been committed to being “green.” From compostable catering trays and utensils to specifying recycled paper stock for our box lunch containers and business papers we’ve incorporated green practices as a way of doing business.

We have already replaced our plastic disposable cutlery, plates, cups, containers, boxes and napkins with sustainably made, biodegradable and compostable products. Our goal is to use 100% sustainable plastic replacements!

In doing our part to keep it green, we recycle all food residuals, demonstrating our commitment to the environment. Thanks to our partners in this endeavor, Cedar Grove, we have significantly reduced our contribution to landfills and decreased our waste footprint.
